Attorney Docket No. T9407.NP

DECISION ACCORDING STATUS
UNDER 37 CFR 1.47(a)

This is in response to the renewed petition under 37 CFR 1.47(a), filed November 4, 2002.

The petition is GRANTED.

Petitioner has shown that the non-signing inventor has refused to join in the filing of the above-identified application after having been presented with the application papers. Specifically, the petition indicates a copy of the application was sent to the non-signing inventor's last known address. Petitioner has provided evidence that correspondence sent to non-signing inventor was received. Petitioner also indicates several faxes were sent to the non-signing inventor. Receipt of the faxes were confirmed via telephone calls to the non-signing inventor. The non-signing inventor's failure to respond to the application sufficiently establishes that he refuses to execute the application papers.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

This application is being forwarded to the Office of Initial Patent Examination for further processing.

Telephone inquiries related to this decision may be directed to Petitions Attorney Charlema R. Grant at (703) 306-0251.
